- The minutes had been distributed prior to the meeting. A motion was made that the minutes be accepted, the motion was seconded, and the minutes were accepted.
- The treasurer's report was read by Cindi Homer. We currently have a net worth of \$25,714.17. A motion was made to accept the report which was seconded and passed.

**Welcome:** Theresa Buckendorf welcomed all the newcomers and encouraged them to get involved. She reminded us of the purpose of the club which is to promote School spirit and support the teams anyway we can. This year the club will be taking a new direction. We will be opening up the concession stand as a fundraising opportunity to give the teams a chance to earn their own money. She explained that we have upcoming events that we will need help in. A sign up sheet was circulated and Shannon Moreno has that.

**Mr. Coleman and Coaches:** Mr. Coleman said that all the fall sports teams, along with cheer and dance are doing great! He explained how fall sports clearance will work this year. Athletes must be cleared by Aug. 17<sup>th</sup> or make prior arrangements. An ASB card must be purchased along with the payment of all fines. Forms can be downloaded prior to the clearance night and schedules can also be viewed there. We will be having a BBQ, yard sale and LION clothing will be for sale! Mr. Templeton reported that 100+ kids attended FB camp. He is very optimistic about the upcoming year. Scott Carlson reported that VB is also ready to go with a lot of kids coming in from Horse Heaven MS.

**Committee reports**

- **Clothing:** Shannon Moreno reports that clothing sales have tapered off during the summer. She has ordered in some new items that will be for sale this year. She put out the word that she would like to get some new people involved since her son is a senior this year.
- **Concessions:** Since we are now opening up the concessions to the sports teams, we will need to make sure that a booster member is in the stand at all times. That we questions can be answered and people who are familiar with how it is run can be there.

- **Membership:** Still looking for someone to run this-it was tabled until next meeting.
- **Programs:** Lorna was not here so this item was also tabled.
